REMARKS: Subject: Flow of Information from China

1. Attached is a copy of D/F dated August 9th from the Acting Assistant Director for Research and Evaluation. Your attention is particularly invited to paragraph 1a. As you know, General Marshall's reports come in through War Department channels in the "Eyes Alone" classification. It is suggested that you make inquiry into obtaining the information which the Office of Research and Evaluation desires and which may in the opinion of ICAPS be necessary for proper evaluation of the situation by them.
